ABOUT CHRISTI

Crisis Trained Chaplain, Experienced Leader, Motivator

Chaplain Hall has a background of over 25 years of ministry experience, which includes serving in disasters (globally and nationally), Law Enforcement, and her local church. Her website, Chaplains and Heroes was born from her experience in Law Enforcement (LE) Chaplaincy where she shares resources for those wishing to support First Responders.

Chaplain Hall has earned multiple certifications in CISM (Critical Incident Stress management), NIMS (National Incident Management System), FEMA and is endorsed by her denomination as a Law Enforcement Chaplain.

LE CHAPLAIN ADVOCATE

Chaplain shares with local church how to start a Law Enforcement Ministry, trains and mentors those who want to become LE Chaplains, and uses her experience in Crisis, Trauma, and Grief to bring the Hope of Jesus to the Chaos of First Responders Lives. She hopes by sharing how God has used her in this capacity that she can inspire others, particularly the local church, to seek how they too might be used in harvest where the laborers are few.
